utility cart with solid shelf

RediPak® 2-shelf cart

### Utility Carts

- Shelves feature patented QuadTruss® design (patent #5,390,803), making shelves up to 25% stronger and provides a retaining ledge for increased stability and product retention.
- Offered in medium duty, heavy duty, and carts with solid shelf.
- Includes two handles, two posts, four casters, and either two or three shelves.
- Total height of 40" (1016mm) including casters.

### RediPak® Carts

- Shelves feature patented QuadTruss® design (patent #5,390,803).
- Includes one handle, two posts, four casters, and either two or three shelves with built-in ledge – all in one carton.
- Built-in 1" (25mm) ledge on three sides of each shelf.
- 4" (102mm) casters for maneuverability.
